

Full Time Position

**Facilities Technician
Canadian International Hockey Academy & Arena**

The **CIH Arena** is the new state-of-the art facility of the City of Clarence-Rockland. Located 15 minutes East of Ottawa, this facility is operated by the Canadian International Hockey Academy (CIHA). CIHA is a co-ed high school institution located in Rockland, Ontario that recruits, educates and trains student-athletes from around the world. CIH Academy offers a world-class educational program in cooperation with Blyth Academy and an elite hockey program in professional-level facilities. CIH Academy challenges its students in the classroom and on the ice, developing young athletes' minds, bodies and spirits, while preparing them for post-secondary education and beyond.

As a Facilities Technician for the CIH Arena, reporting directly to the Maintenance Manager, you will be responsible for the general operations of the arena such as preparing both ice surfaces for the clients, cleaning the facility and maintaining the equipment within the facility.

To succeed in this position you will demonstrate leadership, energy and customer service skills and the ability to multi-task. You will also be comfortable working alone or as part of a team.

If this challenge meets your professional profile and you wish to explore this opportunity, please send your professional résumé with a cover letter detailing your career objectives to Mr. Martin Amyot at mamyot@cihacademy.com
